- Sow the seeds of social consciousness from the ground up.
- Discover how the field of somatics cuts across formerly separate aspects of therapeutic healing, creativity and social activism.
- Expand your practice with knowledge and practical applications from physical to psychophysical, personal growth to group process.
- Move into the world with new purpose, clarity and passion!

Developed by **Dr. Martha Eddy, Founder of Dynamic Embodiment—Somatic Movement Therapy Training™ (RSMT, CMA, Ed.D, and Licensed Teacher of Body-Mind Centering™ since 1984),** BodyMind Dancing © Workshops integrate skilled touch and movement principles from **Body-Mind Centering®**, approaches from **Laban Movement Analysis/Bartenieff Fundamentals**, and compassionate dialogue to enhance your dance technique training and teaching. Academic credit and certification as a movement therapist available through DE-SMTT™.
